Investment Behaviour Analysis Dashboard

Power BI Internship Report

Prashant Pandey | IILM University, Greater Noida

Cognifyz IT Solutions Pvt. Ltd. | August – September 2026

About the Internship

Prashant Pandey @ Cognifyz IT Solutions Pvt. Ltd.

"Where Data Meets Intelligence" — Cognifyz specializes in data science, AI, machine learning, and analytics, delivering structured training and internship programs that bridge academia and industry.

Intern

Prashant Pandey — B.Tech, IILM University, Greater Noida

Organization

Cognifyz IT Solutions Pvt. Ltd. — Power BI Intern

Duration

09/08/2026 – 09/09/2026 | ID: CTI/A1/C403089/C1

Project Objectives & Scope

Analyze individual investor behaviour across demographics, investment avenues, savings objectives, and information sources — translating findings into clear visualizations and an interactive Power BI dashboard.

- Data Exploration: Summary statistics and demographic profiling of the respondent base
- Gender Analysis: Investment preference differences segmented by gender
- Objective Correlation: Relationship between savings goals and investment choices
- Duration & Frequency: Investment horizons and monitoring patterns
- Motivation & Sources: Drivers of investment decisions and market intelligence channels

Key Findings & Insights

DEMOGRAPHIC PROFILE

Respondents were concentrated in the **25–35 age group**. Mutual funds and equity are the most widely held investment avenues.

Capital Appreciation

Dominant savings objective — drives allocation toward equity and mutual funds

Security of Principal

Second key objective — steers investors toward fixed deposits and government bonds

Gender Divide

Male investors lean toward equity; female investors prefer fixed-income instruments

Tools, Skills & Technical Implementation

Power BI Desktop

Data import, modelling,
DAX measures, and
end-to-end visualization

Power Query

Data cleaning, reshaping,
and transformation
pipelines

DAX

Calculated columns and
custom measures for
advanced statistics

Slicers & Cross-filtering

Gender, age group, and
duration slicers enabling
multi-dimensional filtering

Dashboard Design

Consistent theming, titles, and tooltips for a professional appearance

INTERNSHIP OFFER LETTER

Dear Prashant Pandey
Ref. : CTI/A1/C403089

Congratulations! We are pleased to inform you that you have been selected for the position of **Power BI Intern** at Cognifyz IT Solutions Pvt. Ltd. We were impressed by your qualifications, skills, and enthusiasm for data analysis using Power BI, and we are excited to have you join our team.

As an intern, you will have the opportunity to work on various projects and tasks related to data analysis and visualization using Power BI. Your expertise in Power BI and knowledge of data analysis principles will help us transform raw data into meaningful insights and reports. Whether it's creating interactive dashboards, analyzing trends, or presenting actionable data visualizations, your proficiency in Power BI will play a crucial role in providing valuable insights to our clients.

We would like to take this opportunity to congratulate you once again and welcome you to Cognifyz IT Solutions Pvt. Ltd. We look forward to working with you!

Best Regards,

Sukrit Chaudhari

Cognifyz IT Solutions Pvt. Ltd.

Internship Completion Certificate

Date -09/09/2026

This is to certify that **Prashant Pandey (Intern ID: CTI/A1/C403089/C1)** currently pursuing B.Tech from The IILM University Greater Noida, was working as a **Power BI Intern** with Cognifyz IT Solutions Pvt. Ltd. from 09/08/2026 to 09/09/2026.

During this period, he has served as a Power BI Intern and has displayed remarkable dedication, sincerity, and a strong desire to learn. He has exhibited exceptional coordination skills and effective communication abilities. Moreover, his attention to detail has been truly impressive.

He has consistently approached new assignments and challenges with enthusiasm, showcasing His passion for Power BI. His commitment and willingness to acquire new knowledge and skills have been evident throughout His internship.

We extend our best wishes to Prashant Pandey for a successful future, and we have no doubt that he will continue to excel in the field of Power BI.

With Regards,
Cognifyz IT Solutions Pvt. Ltd.

Conclusion & Outcomes

This internship successfully progressed through seven structured tasks – from data exploration and demographic analysis to a fully interactive, consolidated dashboard – reinforcing practical Power BI skills in data modelling, DAX, and professional dashboard design.

Key Takeaways

- Investment choice, duration, and information source are closely linked to savings objectives
- Demographic segmentation reveals distinct investment behaviour patterns
- Interactive dashboards enable real-time, cross-dimensional analysis

Impact & Forward Path

This experience has strengthened confidence in Power BI as a business intelligence tool and built a solid foundation for future data analytics work in the industry. The hands-on exposure to real investment data, structured task progression, and professional mentorship at Cognifyz has meaningfully elevated analytical and visualization capabilities.
